Descrizione/Dettagli dei Motori

A beautiful DA40 Excellent condition, extremely well kept, always hangered, high spec G1000, IFR equipment. Manufactured in Canada. Bought in 2009 from the first owner in the US at 171 hours and imported into Europe. Current and second owner selling due to a change in lifestyle and lack of utilization. Based at LGFJ East France. Always hangared, RGV maintenance service history, no damage history. Just out of annual inspection in May 2024, during the annual inspection, the propeller was overhauled, and the major structural inspection was conducted to provide complete peace of mind for the new owner. UK & EU VAT PAID.
