Descrizione/Dettagli dei Motori

An exceptional opportunity has landed! We are proud to present a 2025 Tecnam P2010 TDI Gran Lusso – the flagship of the P2010 lineup – with only 65 total hours since new. This aircraft is in flawless, like-new condition, meticulously maintained, and ready for immediate delivery.

The Gran Lusso edition represents Tecnam's most luxurious and fully equipped configuration, blending cutting-edge technology with elegant Italian design. From its premium leather interior and refined finishes to the sleek, modern avionics suite, every detail has been carefully crafted to offer both pilot and passengers a superior flying experience.

Powered by the Continental CD-170 engine, the P2010 TDI delivers impressive fuel efficiency, lower operating costs, and global fuel availability – making it an ideal choice for both private owners and flight schools alike. Its advanced avionics, including Garmin's G1000 NXi suite with GFC 700 autopilot, ensure intuitive control, enhanced situational awareness, and long-distance capability with ease.

With its 2025 build year, ultra-low hours, and pristine condition, this aircraft offers all the benefits of a factory-new aircraft – without the lead time. It's an outstanding opportunity for discerning buyers who demand quality, reliability, and style in the sky.
